ABOUT US

Established in 2017, PRANIJ HEIGHTS INDIA PRIVATE LIMITED, based in Hisar, Haryana, operates under the HEIGHTS brand. We are a leading PVC manufacturing company with an annual capacity of 1,39,15,625 SQM. Our state-of-the-art facility spans 345,600 sq. ft., producing top-quality PVC panels, including wall and ceiling panels, meeting rigorous industry standards. We also have a branch office in Bengaluru, Karnataka. Certified by IndiaMart and Just Dial, we prioritize innovation and eco-friendliness in our products, using German technology and exporting to Nepal. Our commitment lies in upholding the highest standards of excellence, safety, and innovation in PVC panel manufacturing.

Mission

Our mission is to lead the way in delivering innovative and environmentally sustainable interior and exterior products to our global clientele. We are committed to pioneering solutions that not only elevate the aesthetics of spaces but also contribute to a greener and more sustainable world.

Vision

At PRANIJ HEIGHTS, our vision is to forge an organization that thrives on a relentless pursuit of value. We aspire to enrich not only the products we create but also the lives of those we serve - our cherished customers - and those who form the beating heart of our enterprise, our dedicated employees.

Values

Our core values are the bedrock of PRANIJ HEIGHTS, guiding our actions, decisions, and interactions. Integrity, innovation, sustainability, excellence, customer-centricity, empowerment, and teamwork define our commitment to delivering quality & forging a sustainable future.
