|---|--|
| <p><b>Product</b> : High Pressure Decorative Laminated Sheet</p> <p><b>Size</b> : 2440mm x 1220mm (E"xW")</p> <p><b>Thickness</b> : 0.8 mm (other thicknesses available on request)</p> <p><b>Products conformity to</b> : British European Standard BS EN 438, American Norms ID-3 BIS (Bureau of Indian Standards) IS-2046.</p> <p><b>Limited Warranty</b> : Ristal warrants that its products are reasonably free from manufacturing defects. The products when properly used, will comply, with normal deviations, to related manufacturing specification. This warranty shall be limited only to the original layer for a period of one (1) year from the date of dispatch by Ristal. It excludes damage resulting from accidents, abuse or lack of care, improper use and/or any alteration. It is recommended that the product must be inspected prior to installation and our liability will be limited to the extent of the cost of the product only. Ristal laminates are used for various applications, without the possibility of control over the manufacturing of the finished product. The company does not assume obligations or liabilities arising from the furnishing, sale, installation or repair, use or subsequent sale of any product, to any person or entity.</p> <p><b>Care &amp; Maintenance</b> : Cleaning should be carried out with a soft moist cloth and warm soap solution. Do not use detergents containing abrasive particles or excess soda.</p> <p><b>Note</b> : 1. Sample presented are indicative of colour, pattern and surface finish but not of actual thickness. High gloss sheets are recommended for vertical application only.<br/>2. Samples other than shown in here are available on request.</p> |  <p>No claim will be entertained for air bubbles</p>  <p>Cutting a laminate sheet at an angle of 90 degree leads to development of cracks in corner after pasting. Therefore it is advisable to avoid cutting it at an angle of 90 degrees.</p> |
