Grades : General and fire retardant (FR)  
 Types : Standard, post forming, compact, cabinet liners, backer  
 Size : 2440x1220 mm (8'x4')  
 Thickness : 1 mm

**NEROLAM Highlights :**

- Design from genuine imported base paper
- Manufactured using best quality kraft paper
- Use of best chemical raw materials for better flexibility & durability

**Care & Maintenance:** Cleaning should be carried out with a soft moist cloth and warm soap solution. Do not use detergents containing abrasive particles or excess soda.

**Disclaimer:** Customers are advised to reconfirm selected laminate when placing orders as our liability does not include claims arising from sample chip pasting error. Samples presented are indicative of color, pattern and surface finish but not of actual thicknesses. All metallic pattern series are recommended for vertical application only.

**Limited Warranty:** NEROLAM warrants that its products are reasonably free from manufacturing defects. The products when properly used, will comply with normal deviation to related manufacturing specifications. This warranty shall be limited only to the original buyer for a period of care. The company is not liable for any improper use and/or any alteration to the laminates. It is recommended that the products be inspected prior to installation and our liability will be limited to the extent of the cost of the products only. NEROLAM are used for various applications without the possibility of control over the manufacturing of the finished products. The company does not assume obligations or liabilities arising from the furnishing, sale, installation, repair, use or subsequent sale of any product to any person or entity.

Do not use nail and hammer while cutting corner, gress, angle or design.

Only use a drill to cut such corners, gress, angle or design.
