TRENDS

about concept

The background of the central panel is a dark, textured wood grain pattern. Overlaid on this are several large, white, abstract shapes: a vertical line on the left, a diagonal line on the top right, and a curved shape on the bottom right. The text is centered within this panel.

We are the creators of beauty for surfaces and decors.
Every design is created to add more perfection to your
spaces and decors. Elaborate your decors with utmost
satisfaction by choosing our designs and textures. Pick
the perfect design to create the best decor.

QR SCAN BENEFITS

360 DIGITAL PLATFORM

SUNTOUCH is now available on multiple digital platforms to ensure it reaches customers and clients in an easy and effortless manner. Embracing the wave of digitalization spread across the country, SUNTOUCH has utilized new technologies to make an impact. SUNTOUCH is advancing on the digital front by streamlining its company's vision, social media presence and product presentation.

Grades : General and fire retardant (FR)

Types : Standard, post forming, compact, cabinet liners, backer

Size : 2440mm x 1200mm

Thickness : 3mm (+0.3)

SUNTOUCH Highlight : Design from Genuine imported base paper

Manufactured using best quality kraft paper.

Use of best chemical raw materials for better flexibility & durability.

Care & Maintenance : Cleaning should be carried out with a soft moist cloth and warm soap solution.

Do not use detergents containing abrasive particle or excess soda.

Disclaimer : Customers are advised to reconfirm selected laminate when placing orders as our liability does not include claims arising from sample chip pasting error.

Samples presented are indicative of colour, pattern and surface finish but not of actual thickness. All metallic patterns series recommended for vertical application only.

Limited Warranty : SUNTOUCH warrants that its products are reasonable free from manufacturing defects. The products when properly used, will comply, with normal deviation, to related manufacturing specifications. This warranty shall be limited only to the original buyer for a period of care. SUNTOUCH laminates are used for various applications, but the company will not be liable for improper use and / or any alteration to the product. It is recommended that the products must be inspected prior to installation and our liability will be limited to the extent of the cost of the products only. Without the possibility of control over the manufacturing of the finished products. The company does not assume obligations or liabilities arising from the furnishing, sale, installation or repair, use or subsequent sale of any product to any person or entity.

Resistance: To surface wear immersion in boiling water, Dry Heat, impact by small diameter ball, Cigarette burns, Staining, Scratches, Color change in Xenon light.

Maintenance: Clean with soap solution or House detergent, Adhesive should not be used, Avoid direct sunlight.

Note:

- Please check the Laminate sheet before use.

- No claim will be entertained after using Laminate sheet.

Do not use nail and hammer while cutting corner, gress, angle or design.

Only use a drill to cut such corners, gress, angle or design.
