VOL. two

*the next level*

**1mm**  
collection

*the next level*

Redefine your living space with  
elements that exude  
sophistication and allure.

  
woodline  
L A M I N A T E S

**1mm**  
collection

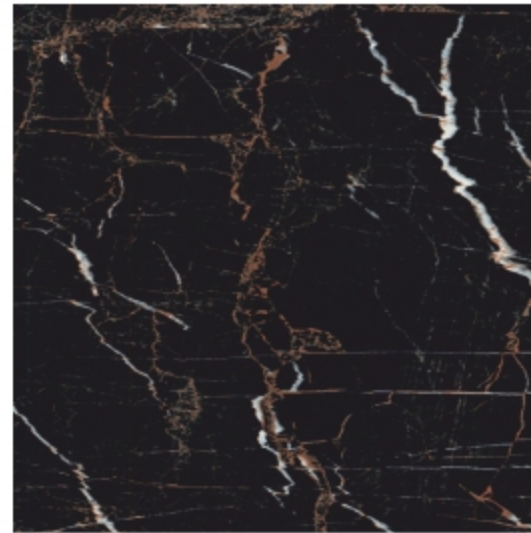

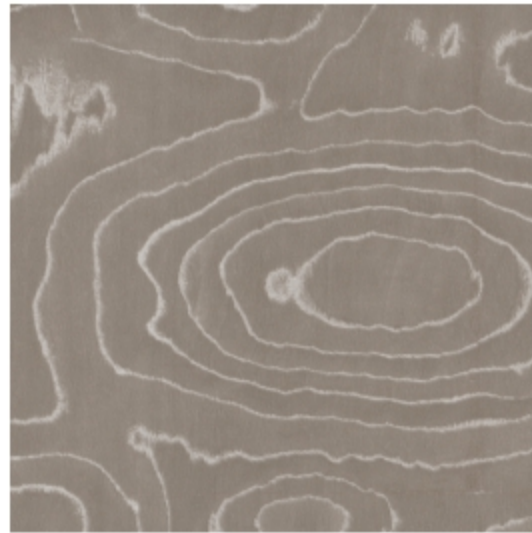

Our exquisite surfaces elevate decors with their versatile designs and durable finishes, adding a touch of style and functionality to any space. Experience the transformation as our laminate textures bring a blend of aesthetics and practicality, enhancing the beauty of interiors with ease.

Reflecting a sleek and elegant texture that captures a sense of sophistication.

*flute*

Imitating the intricate patterns and textures of natural stone and marble, adding a touch of luxury and sophistication.

*stone & marble*

*pastel*

Capturing the soft and tranquil hues of pastel colors, creating a calming and peaceful atmosphere.

*wood*

Featuring the warm and organic charm of wood, with its natural beauty and distinctive grain patterns.

## OUR PRODUCTS

### VENEER

A sophisticated and timeless aesthetic for a variety of decors

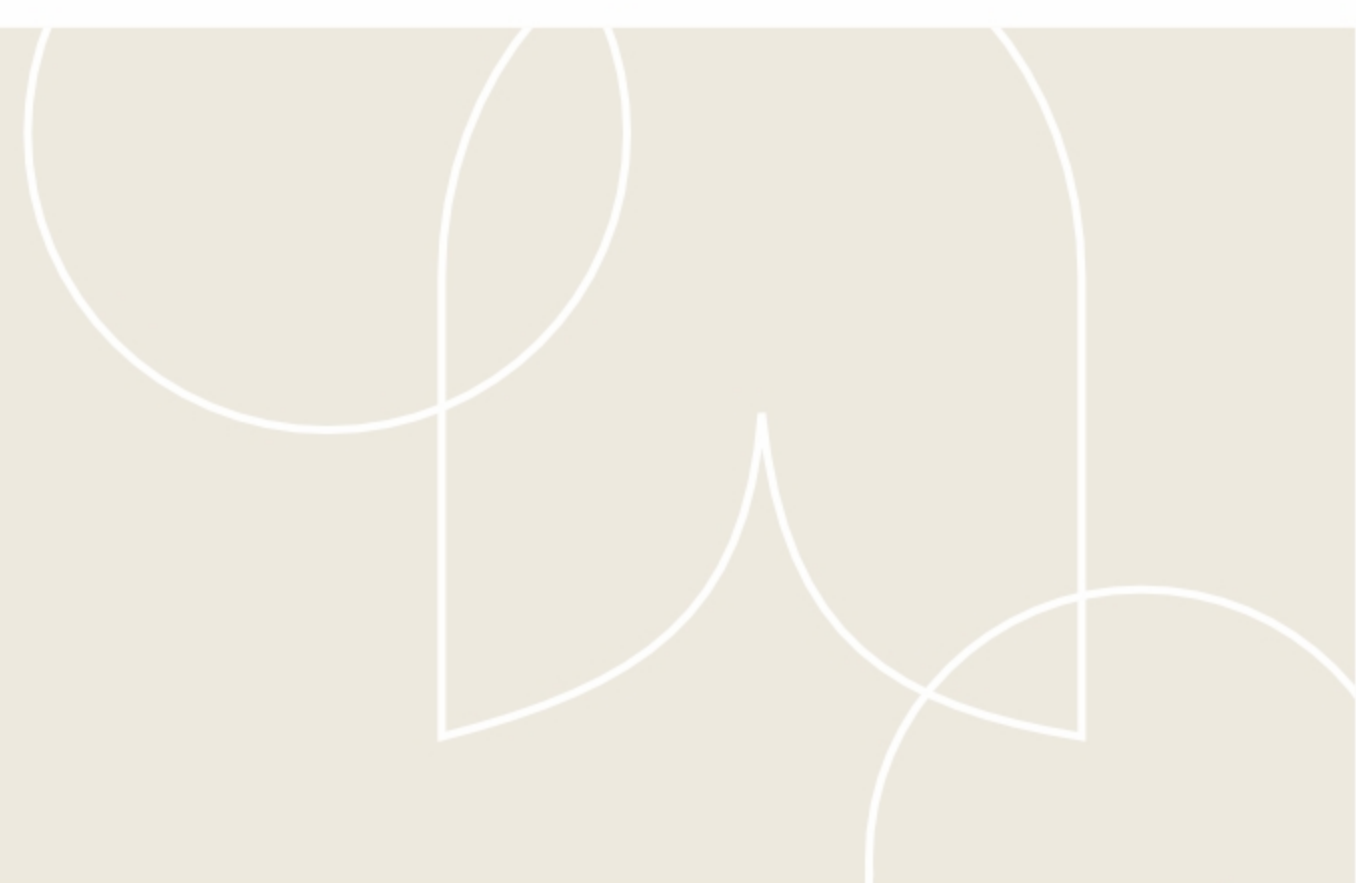

### LAMINATES

Provide a durable, cost-effective, and aesthetically pleasing solution

### ACRYLIC

Combines the durability of laminate with the high-gloss appearance of acrylic

There is nothing more simple, and ironically more complicated, than nature. It's beautiful and full of surprises, and so shall be life and space. Hence, to help our clientele build a distinctive lifestyle that speaks to their individual taste and spreads serene vibes of nature, we are here with a scintillating range of laminates. Each piece here depicts its source of inspiration effortlessly, without compromising on its individual character. Unlike the regular, these pieces are designed to be ahead of time and timeless as well. Their innate aesthetics and potent body make an invincible combination. So let's explore the bespoke artistry presented with all our heart to have you spoilt for choice.

**MR. VIKAS PAREEK**  
Harshita Enterprise - Jaipur

Woodline's quality and wide range of designs have established it as one of the most prestigious brands in decorative laminates in India. An amazing brand that's truly made in India.

**MR. ARWIND AGRAWAL**  
**MR. ANAND AGRAWAL**  
Agrasen Industries - Satna

We have been Woodline laminate distributors for 6 years now. The views and thought process of the entire team at Woodline, especially Manav ji, have always been positive. They offer a wide variety of products. With constant innovative ideas, Woodline continuously excels in introducing new, latest designs. This has greatly increased customers' interest and trust in the brand. We congratulate Manav ji and his entire team at Woodline and wish them the best. May the company prosper and reach even greater heights!

**MR. KAMAL GARG**  
Garg Ply Industries - Ludhiana

Woodline's quality and product thickness have always been extremely good. We are absolutely satisfied with the brand, the services they provide, and our overall relationship with the company. Folder outlook is outstanding, the product range is very good, and the quality is exceptional.

**MR. ALOK JAIN**  
Amit Enterprises - Jharkhand

One of the best folders in the market - new designs, very good quality with justified pricing - a great value for money. The best 1mm folder in the market has helped us multiply our sales. We are confident that in the future as well, Woodline folders would be the best-selling among all consumers. Woodline, for sure, is the most liked brand among all consumer segments for its excellent choice of designs and quality.

# REVIEWS

Our real influencers

**MR. BIRENDER JALAN**  
Arvind Ply - Ghaziabad

It has been a privilege witnessing the growth of this company from its inception. The company has achieved substantial growth in a very short time span, which can only be accredited to the management's continuous adherence to policies and quality standards. We salute the CEO's think tank for their passion and ability to understand the market and always deliver new quality products.

**MR. HIREN SHAH**  
Heera Laminates - Mumbai

Heera Laminates is extremely grateful for all the products and services provided by Woodline. Woodline has immensely helped us to grow our business. Keep up the good work!

**MR. AMIT SIKTIYA**  
Mahalaxmi Laminates - Hyderabad

Woodline's reputation for creating classy, timeless designs that enhance your decor is well established. The company consistently achieves high customer satisfaction through its commitment to exceptional product quality and efficient supply chain management. It has been a privilege to have a longstanding association with the brand.

**MR. AMIT GOYAL**  
**MR. GOURAV GOYAL**  
Goyal Moulding - Delhi

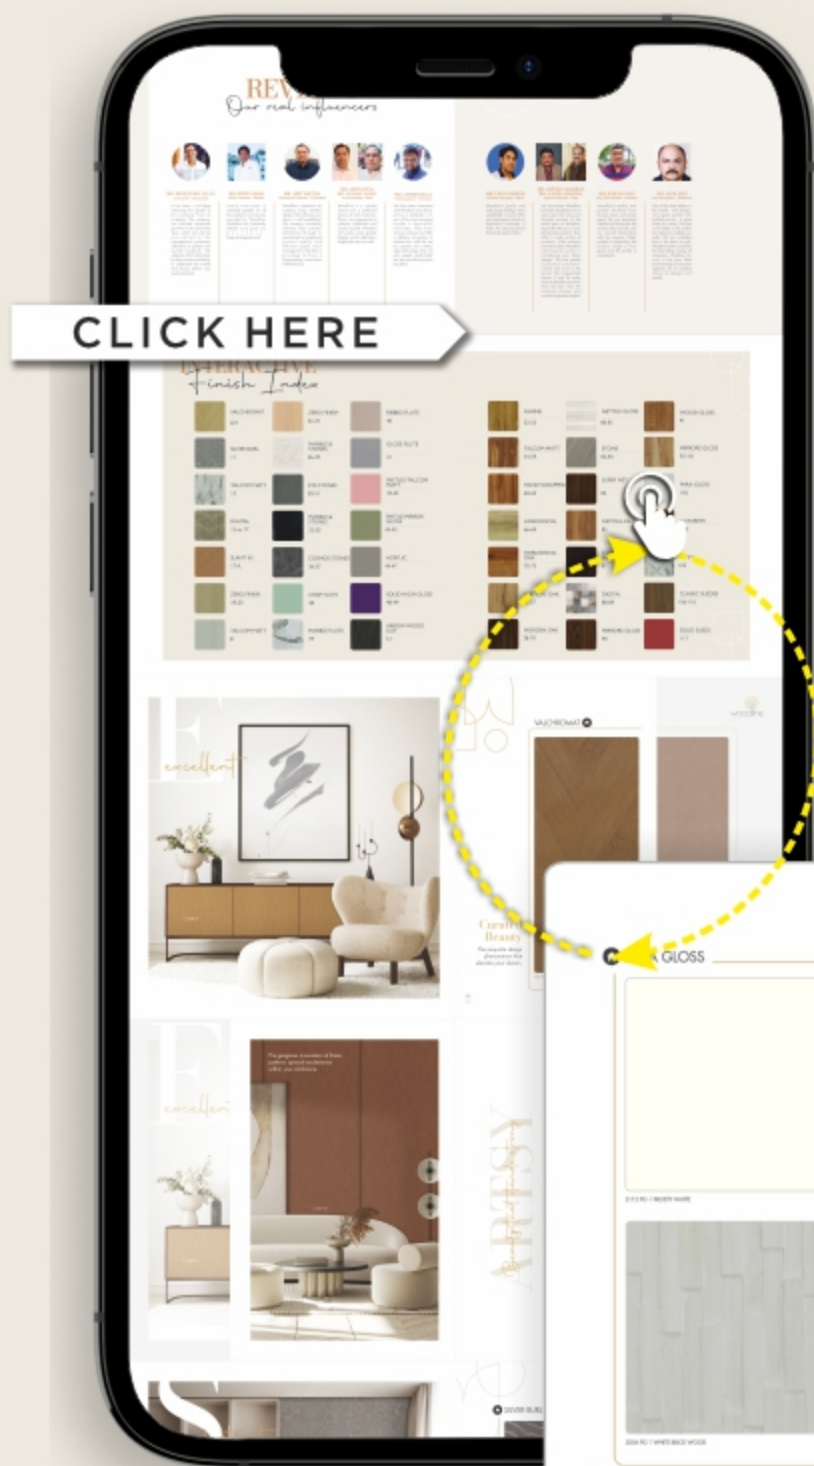

Woodline is a reputed brand and a preferred choice of most customers. There is no compromise on customer satisfaction and product quality. Woodline will surely reach greater heights, and it's definitely a bright future for us as well.

**MR. UMESH BAJAJ**  
Umb Laminates - Guwahati

We have been associated with Woodline since 2016, and as a distributor, it is one of the most emerging brands in decorative laminates. They have various products and offer a plethora of options to choose from. With the use of supreme and cutting-edge technology, they not only appeal aesthetically but also provide long-term durability.

| Resistance to impact by small diameter ball   | 20N Min.                              | ✓              |
| Resistance to cracking                        | Not worse than 4                      | ✓              |
| Resistance to scratching                      | 2N Min.                               | ✓              |
| Resistance to staining                        | Not worse than 5                      | ✓              |
| Resistance to colour change (wool standards)  |                                       |                |
| - In Xenon arc light                          | Not worse than 6                      | ✓              |
| - In enclosed Carbon arc light                | Not worse than 5                      | ✓              |
| Resistance to cigarette burns                 | Not worse than 3                      | ✓              |
| Resistance to steam                           | Not worse than 4                      | ✓              |
| Appearance                                    | Should be free from foreign particles | ✓              |

\*All tests may not be valid for embossed & metallic laminates

- Product:** High Pressure Decorative Laminated sheets
- Size:** 2440mm x 1220mm (8'x4')
- Thickness:** 1mm and 1.5mm (other thickness available on request)
- Product conformity to:** British European Standard - BS EN 438, American Nema ID-3, BIS (Bureau of Indian Standard) is 2046.
- Limited Warranty:** Elite warrants that its products are reasonably free from manufacturing defects. The products when properly used, will comply, with normal deviations, to related manufacturing specification. This warranty shall be limited only to the original buyer for a period of one (1) year from the date of dispatch by Elite. It excludes damage resulting from accidents, abuse or lack of care, improper use and/or any alternation. It is recommended that the product must be inspected prior to installation and our liability will be limited to the extent of the cost of the product only. Elite Laminates are used for various applications, without the possibility of control over the manufacturing of the finished product. The company does not assume obligations or liabilities arising from the furnishing, sale, installation or repair, use or subsequent sale of any product, to any person or entity.
- Care & Maintenance:** Cleaning should be carried out with a soft moist cloth and warm soap solution. Do not use detergents containing abrasive particles or excess soda.
- Note:** Samples presented are indicative of colour, pattern and surface finish but not actual thickness. For actual thickness of product, please check the sample attached above or check our actual products with our distributors/ dealers/ stock point or Elite Gallery.

No claim will be entertained for air bubbles

Cutting a laminate sheet at an angle of 90 degree leads to development of cracks in corner after pasting. Therefore it is advisable to avoid cutting at an angle of 90 degrees.
